WORK EXPERIENCE

University of Bristol

Careers Service Ambassador

Bristol, UK

September 2025 – Present

- Supported recent graduates and current students by triaging career queries via phone and front-of-house, helping over 150+ individuals access tailored resources and appointments, contributing to a 20% increase in careers website traffic.
- Delivered approachable, high-quality customer service by reducing anxiety around career planning, ensuring students felt confident and supported in accessing the Careers Service.

Mizuho

Investment Banking Summer Intern

London, UK

June – August 2025

- Produced presentations for senior management and conducted peer benchmarking to inform strategic decisions for Senior CIB EMEA leadership.
- Developed my own client selection model to be used by the coverage team, making for an efficient selection process of clients by the relationship managers.
- Developed an in-depth knowledge of Front Office Banking operations and as part of an intern project, created and presented a hypothetical proposed €7bn acquisition.
- Lead in organising and hosting a charity event for Mizuho's partner charity Little Village, raising over £1000.

Marks and Spencer

Retail Assistant

Bristol, UK

December 2023- May 2025

- Demonstrated exceptional customer service skills, effectively managing increased foot traffic, resolving customer inquiries, and ensuring a positive shopping experience.
- Proactively contributed to maintaining store organisation and merchandise presentation during the peak holiday rush, showcasing strong teamwork and adaptability in a fast-paced retail environment.

Nomura

Women in Banking Insight Event

London, UK

September 2024

- Engaged in networking with senior professionals and attended a panel discussion at the Nomura Insight event, gaining valuable insights into industry trends, career paths, and strategic developments within global finance.
- Successfully completed the AmplifyMe M&A workshop, where I built a comprehensive DCF model in Excel under time constraints, demonstrating advanced financial modelling skills with 90% accuracy in just 45 minutes.

J.P.Morgan Chase

Spring Intern

Bournemouth, UK

April 2024

- Participated in collaborative projects, including a group pitch to enhance the Bournemouth campus, showcasing proactive problem-solving skills and creativity alike.
- Actively engaged in professional development session furthering my knowledge and adaptability within financial contexts and networking with 20+ people from professional finance backgrounds.

EXTRACURRICULARS

SEO London Finance Summer Academy

August 2024

- Completed workshops on financial modelling and valuation with TrainingTheStreet, gaining practical skills in analysing financial statements and assessing company value.
- Engaged with industry professionals through discussions with guest speakers, deepening my understanding of various financial services and business lines.

Amplify Me: Level 4 Certificate in Investment Banking- Sales & Trading

February 2024

- Applied acquired skills in real-world scenarios, showcasing an understanding in financial markets.
- Attained \$103,315 in commission in the Investment Banking simulation section.
